The Michael E. Godwin Award for Community Service

Once again this year, Youth & Family Counseling will honor a member of our community with the Michael E. Godwin Award for Community Service.

This award was created in 2003 to recognize an individual or business whose contributions have advanced the mission of Youth & Family Counseling and helped build a stronger, healthier Lake County. Named for Mike Godwin, an executive at Harris Bank who promoted and practiced philanthropy in his professional and personal life, recipients of this award must demonstrate the dedication, leadership and philanthropy that were characteristic of Mike.
